

STAR ^{OF} THE SEAS

Star of the Seas | An Icon Class Ship

The Ship

Star of the Seas is the second Icon Class ship. It's Inaugural sailing will be in August 2025. This ship is 5 times larger than Titanic. Over 250K Tons. Longer than 3 US Football Fields. Powered by LNG. More than 40 restaurants and bars. Countless activities for all ages. This is Royal Caribbean's newest cruise ship. It will be the largest cruise ship in the world.
